

# NAFC 2020 QUALITY STANDARDS

**Congratulations!**

**Your organization has earned a 2020 Gold Rating from the NAFC Quality Standards Program.**

The mission of the National Association of Free and Charitable Clinics is to ensure the medically underserved have access to affordable health care. The NAFC and our members are dedicated to ensuring that our patients receive quality health care. Therefore, to quantify and qualify the care provided at the Free and Charitable Clinic network, the NAFC formalized a set of Quality Standards for member organizations.

These standards allow us to showcase the quality care provided to our patients to policy makers, partners, funders and stakeholders. Additionally, the standards will assist the NAFC in developing benefits and resources that will help our members enhance the care you provide to patients.

According to the information that your organization submitted to us in the 2020 Annual Member Data & Standards Survey, your organization has qualified for a ***NAFC 2020 Standards Gold Rating.***
